

Hinckford Deanery Marriage Preparation Day

Saturday
27 February 2010
10 am to 3:30 pm

Getting married is about more than the wedding day. Our marriage preparation day provides opportunities to meet with other couples who are preparing for marriage and to look at the expectations and ideas that shape our view on married life and our expectations for the years to come.

Is this important? Yes, at other times questions linked with the process of getting married are covered but this day enables some of the important issues inked with being married to be discussed and looked at. We like all couples marrying in the 'Team' to attend one of these days

What does it involve?
Previous years have including sessions on

- The joys that married life brings
- Finance and budgeting
- Different expectation of what married life will be like
- How marriage affects relationships with other people.
- Dealing with differences in opinion and conflict
- How our relationships grow
- Practical issues to do with the marriage day
- What makes Christian Marriage special
- Lunch Tea coffee etc are provided as part of the course

Who is it for?

The course runs for couples preparing for marriage/ blessings of civil marriages in the churches of the Halstead Area Team, (covering Halstead, Earls Colne, Colne Engaine, White Colne, Gosfield and Greenstead Green.) It is run by the staff of the team

When and where is it held?

Saturday 12 September 2009
10 am to 3:30 pm
St Andrew's Centre
Parsonage Street
Halstead

Will it cost us anything?

There is a small charge (this year £15 per couple) to cover the cost of lunch and other resources. It would be appreciated if this could be sent with the booking form

Please detach this section and return it [together with a £15 cheque made payable to St Andrews Halstead PCC].
