If you are unable to get to Church for your stint, please can you find someone to swap with. Can you then also amend the printed version of this rota which is on the 'rota noticeboard' in Church? Please bring your own milk & biscuits and, if you wish to, take the cost of them from the money collected. Please can the dirty cups be washed ready for future use. The tea, coffee and juice have to be locked in the Vestry now. Everything else can be put back in the cupboard ready for the next week. Thank you all very much for your continued efforts.
