FCP - The group which is presenting the sermon slot will also be asked to provide helpers for giving out hymn books and taking up collection. Welcomers please be aware that the children will be assisting and give support where needed. The presenting group will also bring forward the bread and wine. The flag bearers will sit in the front two pews - a maximum of five rows on each side should be reserved by you as Welcomers. A uniformed representative has been asked to come into Church beforehand to let you know if all five rows will be needed. Welcomers should stack books beforehand at the end of each pew.

If you cannot make your date, please can you swap with someone else? Can you also amend the printed version of this rota which is on the 'rota noticeboard'? Thank you for your continued efforts.
